

Upload Image To IBM Container Registry

Date	17 November 2022
Team ID	PNT2022TMID13919
Project Name	Smart Fashion Recommender Application

The screenshot displays the IBM Cloud Container Registry interface. The main content area is titled 'Namespaces' and shows a table with the following data:

Name	Resource group	Repository count	Image count	Retention policy
myfirstapp	Default	0	0	Retain all images

A notification box indicates: 'Viewing filtered namespaces. A filter is applied so that only the namespace myfirstapp is included in the table. [Show all namespaces](#)'.

The left sidebar contains the following menu items: Container Registry, Quick start, Namespaces (1), Repositories (0), Images (0), Trash (0), and Settings.

The top bar shows the IBM Cloud logo, a search bar, and navigation links: Catalog, Manage, and a user profile dropdown.
